

i-Irrelevant Race Matters

23 November 2019

Written by Jonathan C. G.

I shall preface by saying that, within certain parameters, I do not subscribe to the notion that *if you go looking for something you are bound to find it*. Often, the most profound, important, and wonderful things of life, one would be incapable of looking for, rather, one happened to stumble upon them. I am confident enough to say that in many, if not all of those cases, God Himself had something to do with it, either in affirmation, or yea, in negation. There are examples of instances when one searches for something, direct and tangential, existential and transcendental, such as justice, love, honor, peace, a sense of belonging, a sense of community and togetherness, and so forth, and one searches high and low in vain. These are not lofty ideals that are unreasonable, these are not abstract concepts that are too demanding to be brought about into fruition and realized. These are not antiquated morals that are unattainable. This is not extremism. It is sanity, it is natural, it is righteous. Hell, it is even artistic, and daresay, brilliant.

Calling a white person a racist, is like calling a Jew a kike, or a black a nigger. It is nothing more than a racial slur used by people that despise whites. Political “correctness” is the dominant religion of Europe, Canada, the United States, Australia, and so forth, and it is based on the foundation of staunchly antiwhite rhetoric, dogmas, rituals, and practices. In fact, the religion of political “correctness”, and it is a religion, is based on the crime and the evil of genocide against the remnant minority white race. The notion that all religions are equal is fundamentally false, and quite stupid. All religions are not equal, because all religions are not good. Some religions are, in actuality, evil. Those antiwhite nonwhites in power use terrorism, intimidation, and singular murderous force to demand what lies whites must tell and adhere to, and how they are told and adhered to. Of course, where there is systemic lies, there is systemic murders.

So it is, that when the black mayor of Baltimore City Maryland declares that he “*ain’t commit* those murders, that the black chief of police *ain’t committed* those murders, that the majority black city council *aint committing* them”, ergo the black leadership can’t be faulted, a millennial finds himself feeling nostalgic for Jim Crow Laws. Incidentally, I hate crows. They are loud, obnoxious, ugly, stupid, they gang up on other birds and act aggressively violent when unprovoked, they even dive-bomb humans for merely walking in what the murder---that is, not unironically, what “a group of crows” is called---consider

to be their territory, their turf. Oh, and crows are black too. I guess in a lot of ways, they are like blacks. You know who taught me to hate crows? Crows taught me to hate them. It is not personal, it is simple. The crows have earned my revulsion, and they never cease earning my revulsion. I have given them the benefit of the doubt, I have given them ample opportunity, and time and time again, they have collectively earned my revulsion. They have proven themselves irredeemable.

The truth is heretical to the religion of political “correctness”. The religion of political “correctness” is so morally repugnant, that one will be unable to differentiate between a full-blown Satanist, a lukewarm atheist, and a professed “Christian”. Diversity is their strength; an antiwhite slogan that is a coded phrase advocating the genocide against whites.

Fundamentally, egalitarianism is intently destructive to the superior race in a forcibly multi-racial, internationalist world, where being white is vilified and whiteness is criminalized. Unless of course, it’s a Jew or another nonwhite, antiwhite, that mockingly and condescendingly acts like a white person. That is, for the intra-inter nonwhite racist, antiwhite world, preferable to a white person being white without being endlessly harassed and molested and murdered—spiritually, emotionally, intellectually or otherwise. Because aside from stealing, and thus destroying by murdering, *our* identity, *our* heritage, *our* history, *our* reason, *our* values, *our* ethics, *our* institutions, *our* culture, *our* tradition, *our* society, *our* community, *our* family, *our* constitutions, and *our* constellations, the nonwhites, preeminently including the Jews, including the mixed hybrid bastardized races, all inferior to the white race, possess an insatiable appetite to enslave, murder, and cannibalize every aspect of our existence and the very essence of our being, whilst promoting us to suicide, whilst simultaneously blaming us and punishing us, all the while celebrating their massacre of whiteness and the white race, either in moderation or in an orgiastic fury of diabolic madness and evil carnage, depending on their disposition.

I am not convinced, beyond a reasonable doubt, that a domesticated dog does not possess a soul. I believe man’s best friend *does* possess a soul. Only, she does not possess a rational soul whilst man does possess a soul and a rational soul. That being said, I am not convinced, beyond a reasonable doubt, that certain...demographics, that is to say, that certain alien races, possess a soul, let alone a rational soul. How else might one explain the sub-human, sub-animal, feral insect-like, predatory and parasitic group behavior of the blacks for instance; along with the Jews, and other nonwhite races?

Anti-white’s will feign shock and consternation at such a scientific observation---for they will deny science when it suits them, and they will utilize

science as a murder weapon when it suits them---all the while they are perpetrating the colossal evil and crime of genocide against whites, and of course, being the liars and murderers they are, they lie about it all. Or, they excuse and apologize for it, as in the case of some Mexican leftist, who is not worth being named or referenced, who falsely claimed that the ongoing genocide against the white race does not exist, because...invoking the weird idea of an ugly negro “poet”, apparently...white people do not exist. They only think they do. One would really have to compete to be more idiotic and more insane than this. Incidentally, was this idea borrowed, if not plagiarized, from the oriental eastern religion of Buddhism?

White people are only, well white people, that “think they’re white people.” So, according to some Mexican quack, who echoes his negro brother, who is given a platform from which to vomit his antiwhite vitriol---I guess white people are like Michael Jackson, who apparently thought he was white so much that he did something about it, namely he had many plastic and cosmetic surgeries to physically alter his appearance so that his whiteness would emerge. Did that make all the white children he sexually molested any less terrified and any less victimized? On the other hand, this same Mexican leftist says that the ongoing genocide perpetrated against whites---that he falsely claims does not exist, because he falsely claims that white people do not exist---is a good thing, because...the earth will be saved and because nonwhites have a lot to learn from committing genocide against the white race. One would really, really have to compete to be more idiotic and more insane than this. Thank God the earth has some Mexican leftist guerrilla as her champion. Mother Earth can, at long last, rest assured that she will be defended by the nonwhite antiwhite world against the big bad wolf white man. I suppose when the black thug rapes and murders his white girlfriend, or some random white woman---that law enforcement will not bother investigating and that the Jewish media will not bother reporting---he is merely defending her honor and doing the right thing. Besides, at some point, she probably did not treat everyone like the equal human beings we all know we are not. So, it should not be a surprise. Right? Right. Let the nonwhite antiwhite world be put on notice. Do not be surprised when you die, and you will die, are judged, and you will be judged, and are sentenced to hell forever, from whence you will never harm a single white person ever again.

Everyone knows how noble and what great stewards all nonwhite people are. I think that is why they, these people, these nonwhite peoples, diverse as they are, from all different cultures and locations, at all different times in the past, had to murder all the “white” animal kingdoms. To rid the earth of these animals was the Indian, African, Arab, Asian, Jew, and Oriental’s way of “saving” the earth. This sort of “logic” induces one to wish, however vainly, that

the earth was filled to the brim with dinosaurs, in lieu of all nonwhites. I imagine by stating as much, I, personally, should not be surprised if I am poisoned to death. Can you imagine if we did not endure in this horrible clown world, in this evil system, and a black male told a white woman, “do not be surprised if you are raped if you refuse to have sex with me.” I believe he would be lynched, right quick, and rightfully so. I suppose, the adage, *ignorance is bliss*, is pertinent within the context of being aware that one could be murdered, by any means, at any time, because of saying something that the antiwhite nonwhite world does not like, even when stated under the most oppressive censorship and persecution, and even when stated, or repeated from the statements of others, years previously, when whites still retained a modicum of power.

The nonwhite antiwhite powers that be, including the Jews, including the mixed Jews, are so cowardly, dishonorable, and degenerate, that they will utilize their illegitimate power to silence any pro-white voices from our inalienable right of free speech in defense of the white race. Being the inferior wretches they are, they cannot compete with whites, regarding anything, without resorting to dirty tricks, deceit, and organized terror. Sure, the veneer is coated thick with civility, but it is a bullshit ruse. They use whites like batteries. They are lowlife life sucking thugs, that are literally empowered to mimic the behavior of members of mankind by depowering the whites. They are also demoralizing whites in the most murderous and evil ways.

Those that deny science, whilst using it to promote themselves and further their own insidious agenda, will ascribe their own murderous nature to all of humanity. The level of such utter retardation is stupefying. The rapist and murderer nature of blacks, not to mention the subversive, perfidious, and terrorist nature of the Jews, is not found in the actual nature of whites. And that is judging by the content of the black and Jewish character as compared to the content of the white character. An idiot black or a lying Jew might falsely and pathetically claim that, “whites do it too”, yet that does nothing more than reveal their own idiocy, their own logical fallacy, and their own hatred for whites, however moderate, for their apologies for black on white rape and murder and for Jewish subversion, perfidy, and terrorism. We must not forget Jewish on white terrorism, such as the Israeli attack on the *USS Liberty* on 8 June 1967, and the joint Jew-Illuminati-Islam terror attacks on 9/11 2001.

My life has not been made better because of a single Jew, black, Mexican, African, Arab, Asian, Oriental, mongrel, or any mixed hybrid bastard. In point of truth, my life has been made immeasurably worse, my life has been unalterably ruined, my life has been irrevocably decimated and destroyed precisely because the nation of my birth is infested, surrounded, plagued, dominated, and ruled by Jews, blacks, Mexicans, Africans, Arabs, Asians,

Oriental, mongrels, and any number of mixed hybrid bastards, and because I am forced, as I have been since incepting in the womb of my mother, to be immersed in the antiwhite, hateful, terrorist, cannibal, criminal, and murderous multi-racial satanic society and insidious culture.

At the individual and macro cosmic level, odious anti-whites are committing crimes that earn them the death sentence, and they are committing evils that earn them damnation in hell forever.

They can aspire to no higher evil. They have reached the zenith of evil. They can only continue and repeat their offenses indefinitely, until they are stopped by the pious and undefeated force of Creation.

When there is a statistically significant number of a particular alien race that imbue a collective and collectivized spirit of diabolism, with extremely rare exceptions, and those extremely rare individual exceptions are immersed within the sphere and influence of remnant white people, the empirical mind begs the question. Does the polygenesis theory merit serious investigation?

Is it possible that an entire race of people do not have souls, let alone rational souls? Is it possible that in lieu of souls they are possessed by demons and that such monsters animate them? Insofar as this is true, would not the best possible policy and solution regarding such a reality and problem be, not merely aggregate segregation, but total separation of the races? Who benefits from murderously violently imposed and enforced desegregation and integration? I will be God damned if the white race benefits from such an insidious arrangement.

Does the shepherd not separate the sheep from the goats?

Racial separation does not inherently mean supremacy, which implies direct and vested rule over another race, either by colonialism, imperialism, internationalism, or some other means. Every sane white person not under the terrorist and satanic reign of the Jews, Arabs, or blacks, would find the inexorable and natural need to be totally separate from all races, including the Jews, including the mixed races, and not want to rule over any of them. Obviously, total separation precludes racial supremacy, because racial supremacy of necessity dictates the forced race mixing of the subjugated population. The Jews are experts at supremacy. Moreover, it is very possible, as we witness here and now, in this very sinister world and satanic dominant multi-racial antiwhite society and culture, that an inferior race, or even an organized corporation, or assembly of corporations, of multiple inferior races, might take a hold of power over a superior race, as is the case of the whites, and exact and extoll a nonwhite supremacy, as is, for instance, the case of the Jews. The looks of many Jews can be misleading. Whilst there are innumerable

nonwhite Jews, there are very, very many mixed White Jews. Rape, and forced miscegenation, was, and presumably still is, a sort of pastime for the Jews. They would murder the best of our men, and, one way or another, produce mixed hybrids with the best of our women. Yet they should not be considered white, any more than a 100% white person should be considered Arab.

“During the conquest of the continent, small carping voices were continually raised against the heroic performance... This type of mentality still survives in America. Today it still fights against greatness and heroism. Today it teaches the doctrine of liberalism with its pacifism, its love for the inferior and misbegotten, its internationalism which makes a virtue of treason, its hatred of all who possess strong national feelings, its toothless desire for racial equality, and its tolerance of everything and everyone, particularly the alien and the unfit. Today this type of mind -- namely, all those to whom liberal doctrines appeal -- are working for the anti-American forces, whether consciously or not. The sub-Americans are in the service of America's inner enemy.”¹

Today, the anti-American, the antiwhite nonwhite, along with their enablers and sponsors, the satanic treasonous snakes that are careful not to be tread upon, whilst they trample on the Constitution, will demand that the whites remain pacifist, whilst they produce domestic and international terrorists that have no qualms about murdering white people in large numbers, in some cases to be replaced by nonwhites from the country of origin of the terrorist's themselves.

To be compared to my enemy, whose murderous and moderated extremism projects an underlying diabolism that is not easily, nor always exorcised, either by persuasion or force, is more than a little disappointing and disconcerting. Perhaps I am poor and ignorant in the art and manner of proper social etiquette---insofar as I am not a social pariah on an island surrounded by a grotesque body of anti-social sociopaths, insofar as I am not persona non grata---as I am unlearned and dastardly in intellectual and spiritual function and conjunction. Perhaps I am too presumptuous to take everything so literally and so seriously. Like many, if not most, I do not aspire to use coded language, word games, sarcasm, mockery, to confuse, and to subvert those around me for some “egalitarian” or otherwise “liberal” leftist doctrine or for any purpose.

Yet I cannot help but to blame myself, for being the terrible sinner that I am, and hence, for being the cause of making this world a far worse place than it would have been, had I not been born at all. My shame I keep locked away and guarded more fiercely than my heart, mind, or soul. Perhaps that is sin too. Mayhap I shall die in this endless temptation, combat, and slaughter, and be

denigrated, desecrated, and attacked into eternity by the enemy that hates the essence of my miserable existence and seeks to stalk and murder every aspect of my wretched presence.

“It was the Industrial Revolution in Europe and America which enabled the Jew, from having been Shylock for a thousand years, the despised and cringing usurer, to become the type of the modern Jew, the cinema dictator, the tyrant of the inmost thoughts of 100,000,000 Americans. The Jew had been thinking in terms of economics and money for a thousand years before Europe and America began to develop a money civilization. Consequently when money stepped out as the supreme force, the Jew shot upward like a meteor. There was still a barrier however to his complete conquest of power. The heathen, the outsider, was still barred from civil rights. Of old he had not sought them, but now they were necessary if he was to conquer the master of yesterday. Nation after nation succumbed to the principles which the butchers of the French Revolution preached, and which the Jew took up and excitedly shouted over the world. A money civilization wants no aristocracy to stand in its way, so Money and Jew preached equality. Nor must there be any barriers to the employment of money, so the Jew preached liberty. He sought to lose his mark as outsider, for in his new role he wanted to be accepted as a member of whatever nation he might be among, so that he might conquer the power for his revenge. So he preached fraternity for others and the brotherhood of man.”²

To a great degree this explains the insatiable Jewish hatred of and towards whites and white civilization. It was only when Jews took power and possessed near total power, and imposed the debt-based, usurious, fiat, arbitrary money system, that the gates of white Western civilization, of course including Europe and the United States, were open to all the inferior races of Mexicans, blacks, Arabs, Asians, Orientals, Africans, and all hybridized bastards of the same to flood in, invade, occupy, and destroy white civilization, white nations, and the white race. Not a minute passes by throughout the day, whence the Jewish world media is not using some antiwhite alien nonwhite to make a mockery of whites and our superiority as a race and championing a false “progress”.

“Coexisting” with my enemy is miserable and pathetic. There are irreconcilable differences between the races. That is putting it too civilly, and too kindly. We should be totally separated from each other. Hate? What is not to hate about this world? What idiot, yet nonetheless perfidious, Jew came up with the idea to criminalize a human emotion, only as experienced by white people, at the forefront of an entire prowhite worldview, whilst all nonwhite races are privileged and protected with a faux law, above that of the white race, even as they rape, murder, and lie against the whites? Does the father that

loves his son, and thus favors him above all other sons, hate his other sons? Of course not. The notion is absurd. But the thought police, the social police, the behavior police, aliens and inferiors that they are, are themselves filled with such hatred, that they must project their hatred and attempt to vicariously emit their hatred from within the target of their hatred and blame their target for what they themselves are guilty of. Believe me, if the world was actually on the receiving end of the hatred of the white man, as an organized race, all things being equal, everything would be burning to the four corners of the earth. Faithful angels from the Kingdom of Heaven would be annihilating hundreds of thousands of the nonwhite hordes and droves in one fell swoop. It is the Jewish antiwhite nonwhite world that hates, and that hates whites with a cannibalistic fury that will never be satiated. Even smiling thru a mouth of sparkly white implants they feast on the white race like a vulture devours the dead carcass of an animal it did not kill.

Why must I refrain from speaking in absolutes for fear of being targeted as a thought criminal whilst actual rapists and murderers freely move about the world, country, and city without fear of the slightest molestation?

Is it not amazing that a European nation before World War II was immeasurably safer then, than it is now? The streets of Italy under fascism, from roughly 1922 to 1943 were arguably far more safer than the Italy of 2020. A major reason for this is of course fascism, under the Italians, not the Jews, and also that Italy was far more racially cohesive then, than it is now.

“No doubt, the most important and enviable factor of Fascism, according to many, was the order and discipline established throughout the country. Military men were on foot patrol everywhere, even during the night, so that one need never worry in the least about being mugged, or molested in any way. If the hour were unusually late, they had the authority to stop you, ask your name, and demand to know your purpose for being out at that hour. If they doubted you at all, they would ask to see your...identification card – which, among other things also contained a brief record of one’s criminal history. You had no problem if you were legitimately returning from a late movie, or from an evening of socializing with friends, but, if your card showed any evidence of any criminal activities, you would automatically be detained in the local jail overnight. This, then, made the streets extremely safe at all hours of the night.”³

I find it extremely difficult, perhaps even impossible, to imagine never needing to worry about being mugged or molested in any way. There are far more days, and nights, from hell, than not.

Why did the KKK, and other organized white Southern fraternities, lynch negroes in the South in the immediate aftermath of the War of Northern Aggression? Because, by and large, in most cases, with their newfound and unmerited freedom, the negroes were raping and murdering white Southerners, including their children. Such blacks did not have the right to a trial, and rightfully so. What would they be defending exactly? Rape? Murder? Of whites? Indefensible. It is obvious to anyone, that the truth of the case can be ascertained without a trial. Such blacks were sentenced to death, by method of lynching, and rightfully so. In such cases, the only way such known and apprehended rapists and murderers could be brought to justice was by sentencing them to death. That is how heinous the crimes they committed were, and that is how serious the consequences for their conduct was. In such cases, even today, any deviation from that common sense, absolutely lawful and legal, sane and natural, and above all, Godly approach, is, at the minimum, obstruction of justice---in and of itself a crime.

Incidentally, it is the most unfortunate that blacks were brought over to America from Africa to begin with. It is challenging to imagine that whites would bring blacks into their territories, lands, and homes, so close to their families. It is conceivable that Jews were behind the transatlantic slave trade of blacks from Africa. And of course, whites were the first slaves of the American colonies, as has been documented elsewhere, and the monied interests of the Protestant Reformation and French Revolution, namely, the Jews, had everything to gain from the massacre, murder, and enslavement of whites and nothing to lose.

“We have seen that the Klan was in the main composed of the very best men in the country—peaceable, law-loving and law-abiding men—men of good habits and character—men of property and intelligence.”⁴

This explanation is in direct contradiction to the antiwhite narrative that has been forced upon us and into us since before developing elementary comprehension skills.

“The Ku Klux, intending wrong, as they believed, to no one, were aggrieved that acts which they had not done should be charged to them; and motives which they did not entertain imputed to them and outraged that they should be molested and assaulted.”⁵

Incidentally, the same thing has happened in the case of the Knights Templars of the Crusades and the German soldiers of the Third Reich. Atrocities were said to have been committed by them that never happened, and, or, atrocities were committed by imposters in the stolen name and identity of the Knights Templars and the German soldiers of the Third Reich. Furthermore, in both cases, the surviving remnant white men were hunted down like wild animals under utterly false and criminal pretenses. The Jews were hunting German “Nazi’s” well into the 1980s and 1990s, many of whom by that point were elder men; they were extrajudicially hunting, assassinating, unjustly and wrongfully imprisoning, and murdering white people under the fraudulent auspices of the criminal Jewish “holocaust” conspiracy “theory”. The real “holocaust”, or burnt offering, was the massacres of whites all over western and eastern Europe, by way of aerial fire bombing and incinerating entire cities producing mass death in the tens of thousands, in the hundreds of thousands during World War II. All white folks. All at the hands of the perfidious Jews and their allies.

“In some cases the negroes played Ku Klux. Outrages were committed by masked men in regions far remote from any Ku Klux organizations. The parties engaged took pains to assert that they were Ku Klux, which the members of the Klan never did. This was evidence that these parties were simply aping Ku Klux disguises. The proof on this point is made ample and clear. After the passage of the Anti Ku Klux Statue by the State of Tennessee, several instances occurred of parties being arrested in Ku Klux disguises; but in every instance they proved to be either negroes or ‘radical’ Brownlow Republicans. This occurred so often that the statue was allowed by the party in power to become a dead letter before its repeal. It bore too hard on ‘loyal’ men when enforced.”⁶

The same tactic is used today by antiwhites; nonwhites, including Jews, and whites that hate the white race, will criminally lie, and falsely accuse whites of fabricated crimes, often crimes that the hateful antiwhites are themselves guilty of. The form of projecting what one is guilty of onto one’s enemy, in order to garner sympathy from the subjugated population of the nation of one’s enemy, is the pinnacle of mass psychological warfare operations, indoctrinating the citizenry into sympathizing with their colonizers, occupiers, and ultimate race destroyers, whilst they disavow themselves from the “enemy of the state”--their son, their brother, and their would be friend, countrymen, and kith and kin. They have already committed deicide, it stands to reason, that committing race-icide, that is, perpetrating the wholesale murder, at whatever pace, of every aspect of existence of the white race is, for them, far easier.

Incidentally, the Jews will preempt their targets. For instance, to offer a rather mild example, a mixed Jew will slander his white coworker, accusing him of using cocaine, under the pretense of being funny and the slander being a joke. Then, later on, when the white man detects the scent of marijuana that the mixed Jew is using while on the clock, on the job, at work, the white man will be compelled to silence. Afterall, it would be his word against the Jew's, and the Jew would simply say that the white man is slandering him, and that the Jew is the victim. Aside from the evil stigma attached to being a "narc" or "snitch", that is, of being an honest truth teller and morally superior person, the effort to bring the issue to light would cause even more problems for the white man, and so it is not worth the additional pain and hardship that would result. This, the Jew counts on. I was going to say this was an example of reverse psychology, but I think I shall say simply, this is Jewish psychology, which is irreconcilable different from our psychology.

We must pick and choose our battles. This too, the Jew counts on. One final point on this, there is nothing that the Jew will not seek to revenge. There is no grievance, no matter the intent of the supposed accused being benign or neutral, too minor or too trivial for the Jew not to seek to exact merciless revenge upon the aggrieving party when it is a targeted white man. They must have the last word, it is tit for tat for them, but then it is more than that. The Jew will even agree with the white man, on any number of points, yet he will be secretly offended. He will mask his hurt feelings, sometimes by overcompensating in the other direction, playing the part of fake "buddy". And then he will hold the grudge, until he sees the ripe opportunity to strike his offender like a scorpion. Of course, in his innocence and naivety, the white man will not suspect a thing. He merely thought he was trying to get along with his coworker---because that would be the best thing for all---chatting to make the work go smoother and the day go by faster. Though he has made a grievous error. He has believed that the mixed Jew is a white man like himself. But he is not. He is a Jew. And that explains his behavior, and his pathological mockery and mimicry of natural white behavior, his holding the grudges, and his lashing out in revenge. It is at times unbearable, because the Jew is a victim of his own perfidy. The reaction of the white man is induced by the words and actions of the Jew.

I have witnessed this same alien conduct in white men, either because they have subconsciously or otherwise internalized the Jew, or because they have been assimilated into the dominate Jewish antichrist spirit which has been projected into them and vicariously spewed out of them. Why would a man decide, of his own volition, that he will do a task differently, solely because the man next to him made a helpful suggestion regarding the task at hand? That is alien. That is spite. Where does that petty, vengeful spirit come from? The

internalizing of the dominant Jewish spirit, that is revolutionary as it is prideful against God Almighty. Lastly, the mixed Jew has no qualms about gas lighting his coworker. I suppose this is the Jew-collar, “sophisticated” variety of Jewish illegality, criminality, and evil. I sympathize with a white elementary school student that is imperiled by being forced to endure a classroom environment with a Jewish math teacher or a Jewess science teacher as much as I sympathize with a grown, racially awoke white man that is imperiled by being forced to endure a work environment with a mixed Jew who can never engage in enough gang stalking and gas lighting. This is indicative of the sadomasochistic narcissism that the Jew is infamous for. I shall have to digress on this particular area of investigation, for now.

“When the first impressions of awe and terror which the Klan had inspired, to some extent, wore off a feeling of intense hostility towards the Ku Klux followed. This feeling was the more bitter because founded, not on overt acts which the Ku Klux had done, but on vague fears and surmises as to what they intended to do. Those who entertained such fears were in some cases impelled by them to become the aggressors. They attacked the Ku Klux before receiving from them any provocation. The negroes formed organizations of a military character and drilled by night, and even appeared in the day armed and threatening. The avowed purpose of these organizations was ‘to make war upon and exterminate the Ku Klux,’ On several occasions the Klan was fired into. The effect of such attacks was to provoke counter hostility from the Klan, and so there was irritation and counter-irritation, till, in some places, the state of things was little short of open warfare.”⁷

What about the Mexicans, Arabs, Africans, Asians, and Orientals that are, with their newfound and unmerited freedom, invading our heritable land, our birthland, our homeland, and with their newfound and unmerited freedom in statistically significant numbers, abducting, raping, and murdering white folks including white children? In short, engaging in open and covert warfare and genocide against the white race, and lying about it. What about the media complicity in these murders by the obfuscation if not absolute coverup? Should not many of these criminals, many of them serial and unremorseful offenders, not be sentenced to death for their heinous rapes and murders? What manner of insane, psychopathic leftist ideology dictates that all nonwhites should flood into all white nations, and only white nations, and latch onto whites like blood-sucking leeches onto flesh? And then when these parasitical racial aliens that are murderously violent towards the host white nativist population are actually apprehended, a seemingly rare event, they are more often than not, set free. To

continue to rape and murder as they see fit. Is that how they're "making a better life" for themselves?

The problem is not that these antiwhite nonwhite people are not "assimilating" to white America or the white American way of life, insofar as there is an actual remnant of whites that are not fundamentally within the domination of the Jews and Jewish interests. The problem is that these nonwhite antiwhite people are here to begin with. White people need to be totally segregated from all nonwhites, including the Jews, and totally separated from all nonwhites, including the Jews. Including the mixed Jews who make-believe they are white as some sort of game. You will see then how the massacres of whites drops astronomically, if such unpardonable offenses do not become nonexistent altogether. You will see then, how the white folks, left to their own devices and manifest destiny, unmolested by aliens of all types, will thrive, and humbly, yet positively, reach for the stars of the eternal cosmos, and be at home in the journey of the heart and in the purity of the soul. Where is *my* wife? In a world of a kingdom you will never find, never go to, and never know.

Now, if the intention of the so-called powers that be, with their conglomerated leftist media is for massacres of whites to take place routinely, and jubilantly extolling the "virtues" that such genocide against the whites will mean for all the nonwhite antiwhite aliens, and for their "utopian" future on planet earth, now that they have successfully thrown off the divine yoke and civilized burden of white colonial rule, on virtually a daily basis, then expect forced integration to inherently imply that the whites are forced to assimilate to the rampant Judaization, to the Mexican invasion and its "narco gangland saint death cult", to the niggerfied culture, to the Arab Islamification, African, Asian, and Oriental invasion, occupation, and subjugation of remnant white America and all white European nations.

Those that show their insidious glee for the genocide perpetrated against the white race, at the individual and at the macro cosmic levels, those that callously and soullessly claim it is inevitable, it is "karmic" blowback, it is the white race "getting what it deserves", and other such meaningless drivel, are the same types of ugly trolls, ogres, and, diverse fiendishly devilish minions that rest on their laurels of achieving a level of organized criminal "legitimacy" that is insurmountable; namely that blacks and other nonwhites gang raping whites is now "legitimate" in the eyes of the antiwhite serpent society, culture, and world, because the white woman "allowed" the rape to occur, because she would be lying if it happened any other way, and if she said it was not consensual, she would be lying and she would be lambasted as a "racist".

Those that crocodile cry and banshee scream “injustice”, “racist”, “hate” and so forth, are themselves the worst sort of supremacist that dictate injustice as “justice” solely based on preference of their own race forcing themselves on whites, the worst sort of racist and hater of the law because they are inferior---morally, intellectually, and virtually by every demographic metric---yet they will murderously demand to have total access to whites, without exception, and will murderously refuse white secession, that is, white separation from nonwhites. But more to the point, because they only want to free, exonerate, applaud, champion, reward, apologize for, rapists and murderers to rape and murder whites, time and time again, with impunity and immunity, because they are black, or nonwhite, and their victims are white. That is one of the innumerable irreconcilable differences between white folks and black and nonwhite aliens, including Jews. A white man will detain and convict and sentence another white, for committing a murderous crime against *anyone* else, a white or nonwhite. Because the white man knows, follows, and in many regards is, the law, and the law bears witness of its lawful-self and the enforcers and arbitrators of the law in this universe, and so he is responsible because he is, or will be, held fully accountable, above the inferior races whom do not possess the innate ability, intelligence, nor the desire to command and control the eternity of the diversity of the races and all the life on planet earth, let alone have sham proceedings that mean anything more than affronting and effacing the Law by mockingly attempting to write and enforce some perverted and corrupt evils disguised as laws.

For the white man to abrogate his responsibility to the higher law and order, invisible otherworldly empire he hopes against hope to attain, in favor of his race, even whence, or even worse, precisely because, the member of his race in question is a known and proven traitor, would be to aid and abet this race traitor, would be to accept his actions as his own. This is unconscionable. If it is true, that the white race is the superior race, than, in a manner of speaking, this is a sin greater than the sins of the nonwhites against the whites in partial or full submission, insofar as they are inferior, and he, being endowed with being a white man, is superior. And what is to be our punishment? Perhaps we should be boiled in excrement forever. Would that finally, at long last, make our enemies happy, with us, or with themselves? Nay, are enemies do not understand true happiness any more than they understand true sacrifice.

True greatness is a heavy burden and exacts a severe cost. Those with the greater responsibility will be held accountable to greater standards. Those whom pretend toward the greater responsibility of others, vex themselves by their own rapacious greed for that which never was, is not, and never will be theirs. To be chosen by God is, in my humble opinion, to be loved by God. To be loved by God is to be forgiven by Him. To be forgiven by Him, is to be loved

by your own kind. To be loved by your own kind, is to know and to have a home. To have a home is to have a heart. To have a heart, is to hold a soul. To hold a soul is to know your place and where you belong.

I have it on very, very good authority, that the most beautiful, most intelligent, and the kindest souls, possessing the best memories, are to be found amongst white men. I suppose such a judicial statement is only considered “hate” and “racist” and thus “criminal”, when it is made by a white man with reference to members of mankind.

Regarding truth, there is objective truth, subjective truth, positive truth, and negative truth, there is universal truth and individual truth. When I say, all races are not equal, I am making an objective statement of truth, that is negative, and that is universal. That is not debatable. That is the truth. Incidentally, it should be noted that merely because truth carries a negative connotation, does not mean it is a truth relegated to the arena of evil. Such as a serial nonwhite murderer of whites---having no remorse whatsoever for his crimes, and if given the opportunity would murder more whites---being an objective truth in practice, possibly a subjective truth in theory, being a negative truth in actuality, probably a positive truth for the guilty individual, being in practice a universal truth, being in theory possibly an individual truth.

So why do the Jews, blacks, and nonwhites insist on playing this satanic game of organized criminal evil that dictates that all nonwhites not only are allowed, but must, organize along racial lines, but that whites must never organize and lead themselves along racial lines, and that no nonwhite can ever be racist against whites at any time for any reason whatsoever, whilst all whites are inherently racist because of their whiteness, and therefore, anything that nonwhites do, must be looked at through the false prism of the perpetual guilty pretending to be perpetual victims, whilst the whites, whom are the actual ones that are disadvantaged, dispossessed, and enduring genocide, that is, the premeditated, systematic gradual murder of the whole white race, are blamed for everything, including the victims of their self-defense. Whites defending themselves, even on an individual level, is deemed “racist”. Now, whilst that will be impossible to prove in a court of law, that is nonetheless the God’s honest truth.

In terms of political science, I do not agree that the truth and reality should be dampened to the point of taboo. The subversion that dominants is obfuscation of the truth, and hence, obfuscation of justice. There are many, many cases whereby the guilty murderer should be sentenced to death. For any sentence less than an expeditious death sentence, is not justice, it is obfuscation of justice, which is in and of itself a crime earning no small punishment. Judging by how heinous the crimes perpetrated are, the utter

disregard there is for the sanctity of life on the part of the guilty murderer, and the absence of remorse within the guilty murderer, one can quite easily, empirically, legally, and lawfully determine if a convicted murderer cannot be brought to justice by any other means than by being sentenced to death. The fact that the murderer, if freed from prison, would murder again, the fact that the murderer possess no remorse for murdering his victim, the fact that the murderer possess no sympathy for the family of the victim, are revealing indications that the murderer has earned himself, or herself, the death sentence. I firmly believe, there are many, many cases, whereby, the guilty murderer should be sentenced to death, and expeditiously, otherwise, an obstruction of justice has taken place. Why should the victims family, friends, and community be forced to pay for the subsistence of the murderer, who will most likely lift weights, watch movies, do drugs, and otherwise enjoy the elements of life he so emphatically hates, whilst no amount of candle vigils and praying will bring the victim back, or will bring peace and a measure of closure, or solace, to the victim's families, unless and until the convicted murderer is sentenced to death? That is him, or her, being brought to justice. The government has a duty to the victim, and to the family of the victim to bring murderers to justice. Not to violate justice by obstructing justice, and then insist that a lifetime sentence without parole, or less, is "justice has been served today". And that is the rare exception to the rule. Most rapists and murderers are serial, career rapists and murderers, and operate with immunity and impunity. The government has no allegiance to the murderer, unless the government itself condones him, supports him, employs him, and is in fact, itself the murderer incarnate.

There is an epidemic of black on white murderous crime. Most black, and nonwhite, rapists and murderers, including of white children, are not investigated, are not arrested, are not tried, convicted, and sentenced. And they are repeat offenders. Incidentally, in the rare cases where they are actually apprehended by the authorities, why are they referred to as "defendants". What are they defending? Rape? Murder? When, in all of creation, in all of the universe, has rape, ever been even suggested as being legitimate and justified? It is an extremely serious criminal offense, and perpetrators should be prosecuted to the fullest extent of the law. Of the actual law. Not some leftist's insane notion of the law, such as she said yes, she is lying. False accusations, of any wrongdoing are serious enough. But false accusations of sexual assault are very severe. Yet there is not a culture of white women, including children, falsely accusing blacks, and nonwhites generally, of raping them. Whilst there is a rape culture of blacks, and nonwhites generally, raping white women and children. It is epidemic, much in the same way that nonwhite murderous and terrorist violence against whites is epidemic. The solution is total segregation, the final solution is total separation. The demographics of the prison system

are indicative of the country in many ways which it is beyond the scope of this writing to delve into here.

In a multiracial cosmopolitan country, what should one expect? The answer is not “gun control” when blacks, and nonwhites generally, are out of control and commit a disproportionate amount of the murderous crimes against whites, including rape, murder, and terrorism (massacres). And that is when they have, quite literally, EVERYTHING, thanks to the white race, including the entire system fabricated on the corpse of white civilization, and the Jewish media which cannot fart without asking what the blacks and nonwhites have to say and want to do about it, and NOTHING to complain about whatsoever. Imagine if the oil pipelines stop flowing. Imagine if the water stops flowing out of the tap. Imagine if the electricity stops working. Well, we saw what happened during Hurricane Katrina in New Orleans in 2005. Black cops were looting retail stores. Roving gangs of blacks were targeting whites, for rape and murder. The lawlessness of the jungle abounded. The same narrative that has, and is, playing out, over and over again, in what was formerly white Rhodesia, white South Africa, white Detroit and so forth. Being forced to be around blacks and browns and nonwhites does not bring out the best in the young white person. Or in any white person. It literally disadvantages and dispossess the child or adult. It arrests their development; it retards their acuity. And that is putting it extremely kindly.

What did it matter that the school shooter, one in a long list of other murders and massacres perpetrated by nonwhites on whites in the homeland of the United States, that murdered two white high school students in California in November 2019, and later died of an apparently self-inflicted gunshot wound, was oriental? The lie, and it is a lie, it is not a myth, the lie that falsely claims that there is systemic “racism” by whites in power over disadvantaged, dispossessed blacks and other nonwhite peoples, is, like so many other lies, the exact opposite of the truth, or an inversion of the truth that amounts to little more than the detractors and claimants, falsely slandering their enemies and the targets of their hatred with what they themselves are guilty of.

Obviously, race matters. Perhaps the “police” are searching the stars on Hollywood Boulevard for a motive? Particularly when the murderer or terrorist is a Jew, oriental, Asian, Arab, Mexican, black, or African, or some combination of the aforementioned, and the victim is white, and the murder or massacre is perpetrated on the blood drenched soil of the United States, or in the bloodied geography of what were previously and traditionally homogenously white and even homogenously ethnic white nations. That matters because the great nation that is the United States of America, was, is, and always will be, a white, and daresay Christian nation. Notice I did not say Judeo-Christian, or Jewish-Christian nation. That is bearing in mind that a nation is its people. To impose

multi-racialism on whites, to impose a racist antiwhite genocidal political directive, cultural enforcement, and social control that, in a totalitarian method, seeks to regulate and murder every aspect of existence, is the sign of inferior races, playing fake civilization.

The answer is not “mental health” experts, more ambiguous drugs in the form of pharmaceuticals with the conglomerated big tech industry getting in on all the action, that they are not directly generating and simulating. There is no political, social, or cultural solution to the massive, epidemic, dangerous, and deadly problems we are forced to endure. Total segregation, and total separation of the remnant whites from ALL nonwhite races. That is the only final solution. Remember The Alamo. Remember Custer’s Last Stand. Remember the Battle of Thermopylae. Remember the Battle of the Hydaspes.

We are in a race, and we are in a *race*. It is, of course, extremely difficult, if not impossible, to fight our enemy, with words, and guns, when our own people side with our enemy. The victory then, for our enemy is made all the more possible, if not probable.

How could the white race go from building magnificent, and blessed Catholic cathedrals, that took generations over hundreds of years to build, that took families, villages, towns, communities, societies, and racial cohesion and fidelity, throughout continental Europe, to being a diasporic remnant, subjugated under the tyrannical and evil rule of the Jews, blacks, Mexicans, Arabs, Africans, Asians, Orientals, and mixed race hybrids, that are routinely and indefinitely working towards the dispossession, displacement, and annihilation of the remnant minority whites? When will arresting, charging, and sentencing a black or brown rapist or murderer of a white person be virtually impossible, because no hidden affirmative action authority figure would want to offend the criminal offender by bringing him to trial for the murderous crimes he is in fact guilty of, for to do so, would be considered “racism”, hence, “hate”, and that would be unconscionable? What are all those so-called sanctuary cities and states, but territories that the leftists have set aside for nonwhite rapists, murderers, and terrorists to operate with immunity and impunity? Most of the rapes and murders of whites by nonwhites are never investigated, let alone solved. And that is more universal than the Roman Catholic Church, which is, like everything else, a Zionist occupied government. And that is far beyond disgusting and disgraceful. Paying tribute to the false and evil religion of political “correctness” by kissing dirty black feet does not exist in the qualities of a white man, let alone a Catholic, let alone a Pope.

The division and conquering of the white race did not start at the end of World War II, which would have never happened, had the Jews not wanted it to happen. That World War II did happen, and that it happened the way it

happened---with the Allies wiping out entire cities, God knows how many tens and hundreds of thousands of white people were snuffed out of existence in one fell swoop, by fire bombing, that being the real holocaust, or “burnt offering”---that, in my lowly view, was the final nail in the coffin of the white race.

Why should imposed and enforced cutthroat competition exist at all? Why should international bankers, namely the Jews, force the world to operate on the basis of nonexistent money, on the basis of artificial and usuriously inflated debt? Why were all the white royal aristocracies annihilated? Really, the arrogance of the antiwhite nonwhites is astounding; on the one hand they are obsessed with us, they stalk and harass us, they shadow our every thought, they mimic our every word, they synchronize with us in our every move. There are plenty of whites that are despicable. And yet, personally, I must say, nonwhites, including Jews, blacks, mixed races, and so forth, bring out the absolute worst in me. They latch onto me like a parasite to the host, they take and take and take, and destroy and destroy and destroy. And being the intelligent, sentient lifeforms that they are, they blame me for the privilege, and punish me when I am not being tortured correctly, properly obedient, fully submissive, and so forth. The antiwhite nonwhite races are conglomerated and organized against the white remnant. There are no words to describe what it is like to witness the murder of an entire race. And knowing that there is nothing that can be done to stop it. We might be able to slow it down. For a little while. That is all. The whole “immigration debate” is a clown-world farce. For so many years this has been drawn out. How much longer? There are far more “white” Jews in the United States than there are whites. Where have all the white men gone?

Everything is about money and what money can buy. In the Jewish version of the world. It is unnatural. It is not normal, natural human behavior. Members of mankind ought to, naturally, and normally, cooperate with one another, within and among their own kind. We should, being separated from all the other races, be building and sustaining our own exclusive families, communities, societies, states, and nations. That is part of eugenics, which is not inherently evil. Part of eugenics would inherently mean that the white race is separate from all other races, and that instead of cutthroat competition, and the organized criminal money system, and this perverted idea of Jewish “social Darwinism”, Jewish “evolution”, and Jewish “genetics”, would help, support, and encourage one another, from the cradle to the grave. Black female voodoo Haitians would not be allowed anywhere near our grandmothers and grandfathers, let alone would they be “taking care of them” by providing “assisted living” as dementia exacts its toll on the last vestiges of the light of

man's conscience. What fitting imagery for their times; blacks providing voodoo "nursing care" for whites whose light is being sluggishly extinguished.

The darkness is always right there, around the edges of the light. Anticipating to fill in the void, the darkness is always there whenever the light goes out. I don't always deny science. But when I do, it is the markedly Jewish and remarkably perfidious science of the Jews that I deny.

At what point, will I be able to unabashedly say and declare to the black race, in fact, to all nonwhites generally, and in a particular way to the treacherous Jews, you have raped and murdered so many of my people, for far too long, with no remorse, and are inveterate liars, and utterly repulsive that you are henceforth and forever anathema, and hereafter I avow my white privilege of secession and thus exercise my right of total separation from you? At this *point. This point.*
